

## Taholah Village Relocation Master Plan

### Questions for the Community #3

1. How often do you use one or more of the following community facilities (Mercantile, Community Center, Post Office, Fitness Center, Commodities Bldg.):

- A. At least once a day
- B. 3 to 5 times a week
- C. Once a week
- D. Less than once a week

2. Which public facilities in the lower village do you want to see relocated to the upper village first? Please note that facilities for the elders and children are already being planned, so that they are not included in this survey. Please pick three.

- A. Police/Court
- B. Fire
- C. Mercantile
- D. QIN Offices
- E. Community Center
- F. Fitness Center
- G. Recreation Center
- H. Post Office
- I. Commodities Building

3. What public facilities or commercial uses that are NOT currently in the Lower Village do you want to see in the Upper Village? What types of businesses would be desirable?

4. What services and/or products would you like to see in a new Mercantile that are not currently offered?

5. Should emergency services (police, fire) be integrated into the center of the village or should they be along 109 or the periphery of the Upper Village if response times are as currently provided?

6. Are there intersections or stretches of street in the Lower Village that are unsafe/problematic? Do you have any issues with on-street parking?

7. Is speeding in excess of the posted 15 MPH limit a problem in the Lower Village?  
Yes\_\_\_ No\_\_\_

If so, which traffic calming measures that you would prefer to be implemented in the Upper Village?

A. Speed humps

B. Narrow streets

C. Speeding is not a problem; no traffic calming is necessary.

D. While speeding may be a problem, do not install traffic calming

8. If you walk in the lower village, is it a pleasant experience? How often do you or your family walk? Do you use the sidewalk or walk in the street? Do you feel safe on the sidewalks? Should there be a greater distance between the sidewalk and street?

9. Do you have any other suggestions, issues or concerns you want to be sure are considered in the design of the plan?
